**Gastronomy:**

- O'terroirs:** Seats 70 and is open every day from 6am to midnight (last orders 10pm); its terrace can accommodate 50 people.

The philosophy of O'terroirs is based on a return to the roots of a rich regional culinary heritage that also does the honours to Swiss dishes and to those from across the border. Our Chef, Eric Mazéas, aims to give pride of place to true craftsmen and women, who are passionate about flavour and taste, and who are the very heart of an authentic regional cuisine – from the “terroirs”.

One of the region's leading attractions, the Sunday grand buffet-lunch offers a wide selection of superb hot and cold dishes.

- Véranda-Bar:** Has 60 seats and is open every day from 8am to midnight. Menu offering light meals and a wide variety of teas and pastries.

In the evening, the Véranda-Bar becomes a piano bar offering a wide range of cocktails, wines and beers. A regional speciality par excellence, the Véranda-Bar also offers the world's largest collection of legalized absinthes!

- Lake-Side-Lounge:** The Lake-Side-Lounge terrace can seat 60 people and is open in fine weather. Same food menu as the Véranda-Bar serving light meals throughout the day. Lounge atmosphere for early evening drinks with friends.
